

Huddle Room

Limited time Huddle Room Bundle Promotion

Purchase an Avaya IX Collaboration Unit CU360 at the standard price, and get a promotional discount on one Avaya Equinox Meetings Online Pro Virtual Meeting Room. That's not all! You also get a free Avaya IX Conference Phone B109

You know that using video collaboration solutions can accelerate your business performance but may not have outfitted all the areas where your employees huddle with collaboration technology because you were waiting for the right solution at the right price. You may also have concerns about the up front capital outlay required for the room devices.

Avaya's Huddle Room promotional offer delivers a complete bundle of everything you need to transform a meeting space into a collaboration area - and it does so at a price that will not break your budget.

Avaya has completely redefined the Huddle Room experience - in terms of installability, usability, utility and now: accessibility. You can obtain a complete huddle room solution - including a one-year subscription to Avaya Equinox® Meetings Online and the new Avaya IX Collaboration Unit along with the Avaya IX B109 Conference Phone - bundled at a very attractive discounted price. This offer is available as an up front payment or as a Huddle as a Service* monthly subscription.

This reduces your business risk and eliminates the financial impact of up front capital expenditure.

* Available in US only

What's Included:

- Hosted Video Collaboration Service (Avaya IX Meetings)
- All-in-One Room System (Avaya IX Collaboration Unit)
- Conference Room Audio Extension (Avaya IX Conference Phone)

Avaya IX Collaboration Unit Changes the Room Experience

All-in-one design, purpose-built for video collaboration delivers crystal clear audio and video every time and can be set up in minutes.

Delivers Affordable Enterprise Collaboration to Any Size Business

Enterprise room conferencing systems at a price that works great for huddle space transformation. The device contains impressive capabilities, including full HD 1080p video, a 4K camera sensor, and 4K display support.

Smart Collaboration

Share content and applications wirelessly, using your smart mobile device. H.239 and BFCP offers content interoperability with nearly any video room system. Avaya Equinox® delivers the ultimate collaboration experience with lightning fast screen response and lower bandwidth requirements.

Next Generation Cloud Capabilities

Access and run cloud-based Android® applications and enjoy your choice of cloud-based collaboration tools. It is also fully integrated with Avaya Equinox® Meetings Online to deliver a seamless and productive collaboration experience.

Easy to Use & Setup

With only two or three cables need to be connected—depending on whether you are using Ethernet or Wi-Fi—installation is a snap. This all-in-one device rests on top of any display, and the integrated video codec, microphones and Bluetooth connectivity means there are no cables on the table. Its remote control includes a full keyboard to further simplify setup and use.

Avaya Equinox® Meetings Online Provides Seamless Reliability

Seamlessly extend your Avaya IX Collaboration Unit with your own cloud meeting room. Boost your productivity and enhance your relationships with HD video, audio, and web collaboration with Avaya IX Meetings. Bring the experience of a face-to-face meeting to your colleagues, customers and partners, anywhere, on nearly any device.

Simplify and converge your audio, video, web collaboration, and webcasting to one cloud platform. Save money, admin time, and user training by meeting with just one app.

Meet with Any Device

Participants can meet from nearly anywhere with their Windows, macOS, iOS, or Android devices; dial-in with a phone in over 40 countries at no extra cost.

The award-winning Avaya IX Conference Phone B109 represents a breakthrough in portable speaker technology and connects with the Avaya IX Collaboration Unit via Bluetooth

Frictionless Participation

Join directly from your browser without installing an app or plug-in, via WebRTC. End-to-end encryption helps make meetings more secure.

Room and Huddle System Connectivity

SIP or H.323 connectivity with your existing video infrastructure.

Easy Content Collaboration

Share documents and applications as if everyone was in one place. Get your point across with annotation tools, brainstorm with the interactive whiteboard, and get more done with true application sharing.

Built-in Webcasting

Host a large meeting with up to 100 fully interactive participants, extend it to 500 viewers with integrated webcasting.

Recording

Record your meeting in the cloud for easy playback, download the MP4 file for a permanent record.

Seamless Avaya UC Integration

Enjoy a seamless, integrated experience with Avaya Aura®, Avaya IP Office™, and Avaya Equinox®.

Leverage OmniSound® Technology for Crystal Clear Audio

The award-winning Avaya IX Conference Phone B109 represents a breakthrough in portable speaker technology and connects with the Avaya IX Collaboration Unit via Bluetooth. Its small form factor also makes it portable to be used with a laptop or smart device.

- USB and Bluetooth connectivity
- Can be paired with Avaya devices that support Bluetooth
- Wireless – 12 hours talk time
- Clear LCD screen displays enabled feature
- Headset for privacy
- Simplified Bluetooth pairing and connection using NFC

Special Bundled Pricing

Contact your Avaya representative or Avaya partner to ask about this exciting new promotional offer today!

For the price that some charge for just connecting a meeting room, Avaya now offers a complete huddle room setup.
